

PAUL MOUSLEY

Agent: Julian Friedmann

Biography: Paul is a screenwriter with 25 years' experience and nearly two hundred commissions on long running and prime time series, including WATERLOO ROAD and PRIMEVAL.

He is also in development with different production companies on original TV and film projects. His Contemporary Psychological Horror Feature REDWOOD has Terry McDonough (BREAKING BAD, BETTER CALL SAUL) attached to direct and his Crime Thriller series CITADEL, co-written with Andy Briggs, is in development with Rowboat TV.

Paul is now developing various original series for the market, including VINTAGE CRIMES (A returning "Cosy Crime" series about a crime writer and wine expert who investigates murders in wine growing regions around the world) and COLD FRONT (A Spy Thriller series following a group of MI6 officers operating across Europe in the years after WW2).

Paul is also a visiting tutor at the University of Salford MA in Scriptwriting for TV and Radio and an Associate Lecturer at Manchester Metropolitan University.
